MEMORANDUM FOR: Project Director

SUBJECT : State Department Request for Clearance of
Legal Adviser

1. The attached is for your information before completion of action.

2. Whereas I cannot testify as to the way in which the legal adviser is used in the Department today, I do know that earlier Mr. Gross and his successor were intimately involved in policy questions confronting the Secretary.

3. In the event of a protest, I am sure that the advice of the legal adviser would be required.
